This is the Dashboard

There are three options.

1. Jobs Printouts

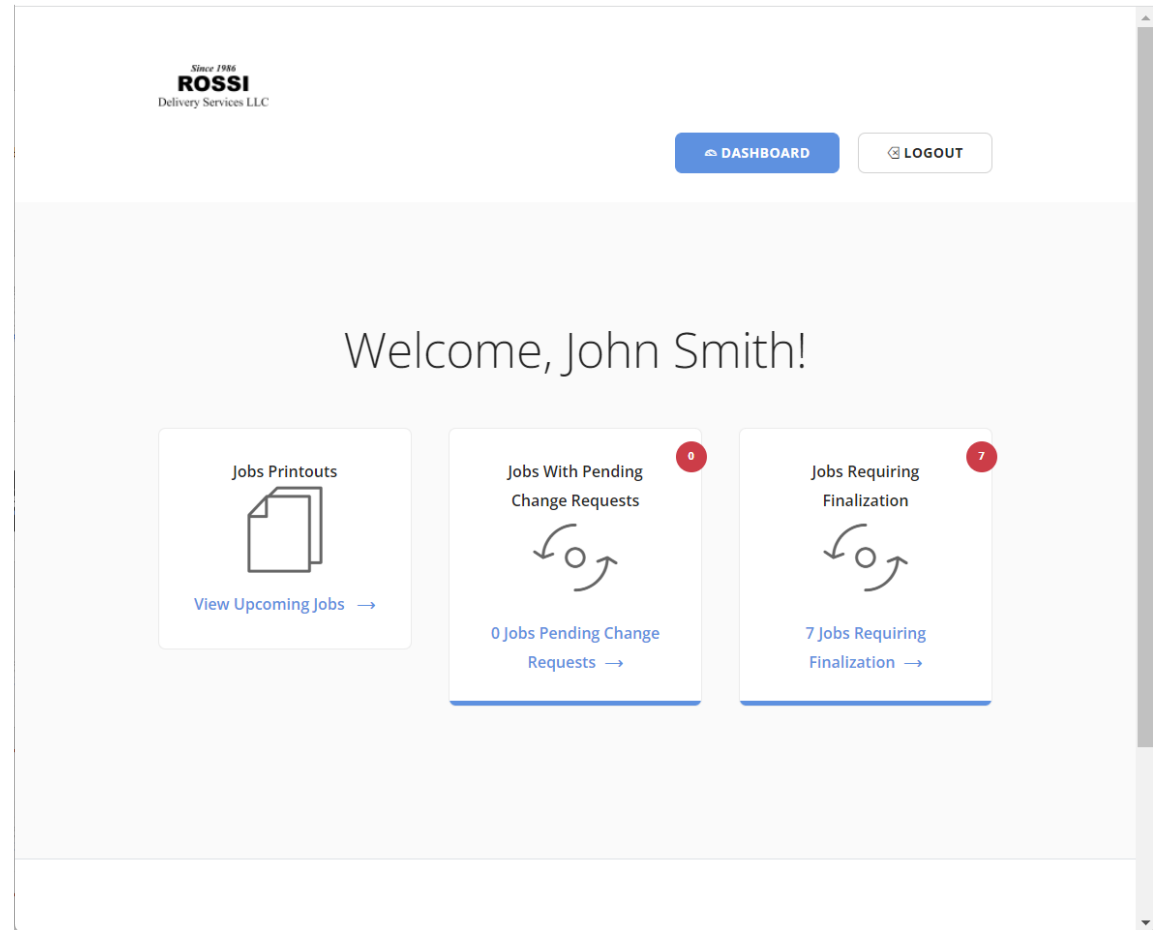

- These are your upcoming jobs.

2. Jobs Requiring Finalization

- Similar to the “Job Tickets,” this is where you will see the jobs that you have done already.
- It will ask if you have any change requests.

3. Jobs With Pending Change Requests

- You will be able to see jobs that you have submitted changes.

View Jobs Printouts

- Select the date you want to see.
- You will see all of the jobs that will / have occurred on that date.
- BE ADVISED: Load dates and times may be before the "Job Date."

OPTIONS:

1. View Full Printout (Job Details)
2. Mark Job As Complete
 - This means the job was completed without any changes from what is shown.
3. Make Changes to Job
 - Here you will be able to edit wait time, parking tickets, truck size, etc.

View Jobs With Pending Change Requests

On this page, you can see the job changes that you have requested.

These changes will be reviewed by RDS accounting.

If you have input a change by mistake...

Or if you Marked as Completed by mistake...

Contact a member of RDS admin team immediately.

The screenshot displays the user interface for 'Job Change Requests' on the ROSSI Delivery Services LLC platform. At the top, the company logo and name are visible, along with navigation buttons for 'DASHBOARD' and 'LOGOUT'. The main heading is 'Job Change Requests'. Below this, a table lists job change requests. The first entry is detailed as follows:

Job Information	Changes	Status
<p>Fake Client #3 PO#: 9631 RDS#: FAKE12345 Job Date: 2022-06-04 @ 22:30:00 Fake Venue 1 to Fake Venue 2 Driver: FakeDriver Name</p>	<p>Changes: Wait Time: 00:00 03:30 Start Venue: Fake Venue 1 (No Change) Start Venue Address: 123 Fake Street (No Change) Final Venue: Fake Venue 2 (No Change) Final Venue Address: 456 Imaginary Rd (No Change) Quote: 400 662.50 Estimated Tolls: 51.8 (No Change) Parking Tickets: 0 (No Change) Notes: Load 30 minutes before del time. (No Change)</p>	<p>IN REVIEW</p>

The bottom of the screenshot shows a blurred view of another job entry, indicating a list of multiple requests.
